The nearest **water bus stops** are **S. ZACCARIA** (beside S.Marco square) and **OSPEDALE** (north side of Venice)

**Address is Castello 3385L** (street name: fondamenta s.Giorgio dei Schiavoni), 5 min from S.Zaccaria / S.Marco (1 or 2 bridges) and 8 min from Ospedale (3 bridges). We suggest Ospedale stop coming from Airport, because it takes less time and avoid crowded area.

→ **From Venice Airport Marco Polo:**

- **via water** (15€), (5 min walk to the dock) **water bus ALILAGUNA** blu line departing every half hour at .00 or .30 It takes 40 min **boat stop → OSPEDALE**

- Or **via land** (14€) public **bus n°5** or **ATVO coache** to Venice, leaves every 15/20 minutes and it takes 20min, to **P.le Roma bus terminal** then take the water bus as below.

→ from **Treviso Airport** there are direct coaches to P.le Roma every flight

→ from **car parking / bus terminal Piazzale Roma or train station:** *via Giudecca canal* boat **n° 5.1 or 4.1** (take 25min), or **N°2** (45'min); more scenic *via Canal Grande:* **n°1**, (45min) or **N°2** (25'min, in winter stop at S.Marco only). **Boat Stop → S.ZACCARIA** (or also n°5.2 to Ospedale)

→ From car parking Tronchetto only boat **N° 2** (40min) to S.Zaccaria, (1water bus trip is 7,5€)

**From S.Zaccaria boat stop** Look for the hotel Savoia & Jolanda (central with respect to the 3 possible stops depend on which boat you take) Take the archway on the right of the hotel → cross **S. Zaccaria Square**, get out from the other side of the square and turn right, after 50metres get into Fondamenta de l'Osmarin, walk till the end to → **GRECI bridge** (that crosses 2 canals with a leaning bell tower), walk to **LION bridge** (parallel to Greci bridge after passing 2 restaurants), cross the bridge then take → **Calle LION** till the canal, now you are at **FONDATA S.GIORGIO degli SCHIAVONI**, the second door on the left is the house at **N° 3385/L** Ring the bell – **SCURATI Ferrieri– B&B 3° floor**

**From OSPEDALE boat stop** walk toward left after 50 meters enter the long narrow calle delle Cappuccine till square **S.Giustina** cross and turn left in Calle **Zon**, cross the bridge and go to the right, pass the square and cross the bridge del Fontego, follow and after 50 meters turn right into calle **Zorzi** beside delicatessen Ortis, pass an archway-chapel, and in **Corte Nova** go right and cross the bridge, now you are at **FONDATA S.GIORGIO degli SCHIAVONI**, overstepped the supermarket b&b is the 2° door at **n° 3385L** ring bell – **SCURATI – B&B 3° floor**

Ps: We advice light luggages because in Venice you walk and there are bridges etc. in case by **foot** from P.le Roma/station is only 40 min. (without getting lost)

- **Daily pass** are quite expensive 20€ 1 day, 30€ 2 days, and once you arrived here we are very central located so you can walk easily everywhere and need boat only to islands.

- **Private water taxis** can reach any canal and take you directly to the B&B but also expensive cost 110€ from airport, and 60€ from the station or bus terminal (in case you can call Marco tel. +39 3312284406 saying you are our guests).
